

Short Term Scientific Missions

Applications are open for Short Term Scientific Missions (STSMs) for the period ranging from May 1st to September 30th 2018.

STSMs can support:

- ✓ Visits of scientists (students and staff) from any PHAROS full member country to any other PHAROS full member country, as well as to Near Neighbour and International affiliated institutions.
- ✓ Visits of scientists (students and staff) from Near Neighbour affiliated institutions to PHAROS full member countries.
- ✓ Duration lengths from a minimum of 5 days to a maximum of 90 days. Early Career Investigators (ECI; PhD less than 8 years ago) might apply for a maximum of 180 days.
- ✓ Support can be given for up to 160 euros per day, and a maximum of 2500 euros (ECI up to 3500).

How to apply:

send a notification email to pharos_stsm@ice.csic.es with (in pdf format):

1. The STSM work plan (maximum 2000 characters) with a description of the scientific aim and motivation, techniques, planning, etc., for your visit.
2. Written agreement from the Host Institution. Please mention matching funds if applicable.
3. A detailed Curriculum Vitae.

DEADLINE: March 25th, 2018
